

Dear Friends and Sponsors:

The 2019 Doug Shaw Foundation Golf Tournament was a great success and you were a huge part of that. We raised enough money to provide nine \$1,000 scholarships, bought the Myrtle Beach Rec Dept. a new hydration system (\$1,500), gave a \$1,000 donation to the Myrtle Beach High School to add Coach Rivers Lynch's famous quote "All it takes is all you got" to the exterior of Myrtle Beach High School, provided FCA breakfast and lunches to student athletes all summer continuing into the school year. None of this would be possible without your generous support. Doug Shaw continues to be invested in the youth of the Myrtle Beach Community still today through your kindness. **The original 2020 Tournament date has been postponed again and is now tentatively set for Saturday December 12th, 2020 at 8:30 am.** Tournament will again at Pine Lakes Country Club and we hope we can count on your support this year or for the first time and into the future as this fundraiser continues to grow? Remember to check out our tournament website [www.dougshawgolf.com](http://www.dougshawgolf.com) to sign up and for all the latest news. The other exciting opportunity the website provides is a chance for *our major sponsors* to create a link to their website directly from ours helping push visitors from our site to theirs and giving them more bang for their donation. Please contact me by phone or email to discuss anything you have questions or concerns about. We look forward to giving more scholarships away this year. God bless and thank you for supporting our student athletes. I am including a photo of the 2019 scholarships recipients, so you are able to see your donation at work. Thank you for helping make this fundraiser possible.

Warmest regards,

S. Lee McMillan, Jr.

Tournament Director
